

IPIP-NEO

The following pages contain sentences that describe people's behavior. Please use the rating scale next to each sentence to describe how accurately each statement describes you. Describe yourself as you generally are now, not as you want to be in the future. Describe honestly how you see yourself in relation to other people you know of the same sex as you and approximately the same age. Your responses will be kept absolutely confidential. There are no right or wrong answers, provide your immediate impressions.

Note that most sentences are self-explanatory. Phrases or words that require an explanation have been underlined and a brief description can be found by hovering the mouse over them. Please read each sentence carefully and do not hesitate to ask the researcher responsible for your session if you require additional explanations. Each question was answered using a five-point Likert scale ranging from “very inaccurate” (1) to “very accurate.” (5)
